IBM

Monte Carlo Library Programmer's Guide and API Reference

Monte Carlo library API documentation is available in the man pages.

The full library reference guide will be available in November 2008 in the IBM Systems Information Center. After it is available, you can copy the PDF version of the guide to the following local path to allow easy access to the PDF within your installed SDK:
 `/opt/cell/sdk/docs/lib/Monte_Carlo_Prog_Guide_API_v3.1.pdf`
